Illinois Department of Corrections,  
MSR/Parole Department/Prisoner Review Board,  
et. al

MOTION FOR INJUNCTION  
DENIAL OF DUE PROCESS  
CRUEL AND UNUSUAL PUNISHMENT  
DENIAL OF HEARINGS/STANDARD OF FAIRNESS AND JUSTICE  
DENIAL OF PERSONAL LIBERTIES AND FREEDOM

Now comes, James B. Seider, Plaintiff, pro se in the  
above caption cause of action.

This Plaintiff, is being denied certain rights that are  
setforth in the Illinois State Constitution, and that of  
the United States Constitution;

This Plaintiff, was paroled from the Illinois Department  
of Corrections, on 02-03-06, whereas the Illinois Department  
of, via the Illinois Department of (Prisoner Review Board),  
Order said Plaintiff to serve 90 days on Electronic Detention  
or better know as House Arrest for the said period of 90.  
days. This Plaintiff, signed a agreement with the Prisoner  
Review Board, to said terms stated by them. On his MSR status  
and the Plaintiff's counselor at Illinois River Correctional  
Center, stated that as long as I obey all their RULES and  
Regulations, that I would be released from this Order.

Yet, on the 04-21-06, I was advised by my Parole AGENT,  
that the terms was changed and I would have to compete 21,

more months, this is being done without the benefit of a hearing, or moreso, that I have violated any of the terms of my setforth release agreement.

On the 15th of May, 2006, I was taken in handcuff's to the MSR/PArole Department headquarters by my parole agent. I talked to the supervisor Mr. Dixon, who stated that I was to serve the rest of my parole of 21 months on this Electronic Detention, because they felt like going so. He Mr. Dixon, said that I belong back in prison, and another agent Montgomery came into to the room, and started yelling at me, and stated that I liked "being behind this black thing" and was trying to get me to say something so they could violate me and return me to Stateville Correctional Center as a violator, they kept saying this and that (hoping that I would get out of pocket) so they could violate me..on my trip back home handcuffed, my agent stated that I could not date or have female company...until further notice..that i was not allow to have females in my HOME, or be with them.

Also, I am being denied the following for no reason(s) or violations;

- a. no pets
- b. no pool inwhich I have one in my back yard
- c. no computer, which I was given permission by my agent to buy one, then he stated for no reason(s) I could no longer use it to seek employment or pay my bills..
- d. no wine/beer/liquor in my home (no reason given)..
- e. was denied medical care by the Veterans Hospital/denied movement for shopping and taking care of of business needs as well as personal needs for 5days twice.

Page III

I have files a grivance with the Prisoner Review Board which was referred to the MSR/parole department, and I have filed with the Circuit Court of Cook County, Skokie Division, which was denied, no reason stated.

I was sentenced to 8 years for PCS, and the Illinois Department of Corrections added an extra 2 years of MSR or Parole, as I had agreement with the State's Attorney for a term of 8 years, and then the Illinois Department of Corrections placed an extra 2 year sentence, without any reason or violation on my part.

I am not unable to return to a normal life style and become a useful member of the socity which the IDOC states is their overall goal, but, it seems that all the MSR/Parole people want is to violate and return the parolee back to prison..

Your Honor, I pray that you allow me to present my case before this Honorable Court and show the misdeeds of the IDOC, and that of the Illinois Department of Corrections..

And allow me to have my rights re-stored under the CONSTITUTION OF THE STATE OF ILLINOIS, AND THAT OF THE UNITE STATES OF AMERICAN.

I pray that you grant this hearing and my appearance into these issues setforth in this petition for justice.
